ALMA MATER

Oh, Lansing Central we praise thee,
we raise thy name on high
To you we'll always be faithful
let our spirits never die
Oh, Lansing Central in honor,
we'll always hold thy name
Your hallowed walls will be sacred,
in our hall of fame.
All the memories that we cherish
will fade with time and age,
But each new year will bring to you
fame on every page,
Oh, Lansing Central forever,
as the school years come and go
We'll hail our Alma Mater——
Lansing Central School.

DEDICATION

In grateful appreciation, the Junior Class wishes to dedicate this issue of the Cayugan to Mr. Robert Macdonald for his invaluable guidance in helping our class gain success and achieve its goal.

The class of '52 started out in their Freshman year with 33 students. Our advisor that year was Mrs. Norcross the school nurse. The people we elected as our class officers were: President, Dick Hill; Vice President, Albert Moore; Secretary, Dolores Zifchock, Treasurer, Patty Uher.

At the beginning of our Sophomore year we chose as our class officers the following people: President, Bruce Croft; Vice President, Gus Wolfe; Secretary, Dolores Zifchock; Treasurer, Patty Uher. Our advisor that year was Mr. Dickerman.

At the beginning and during the year 10 students left our class—Fred Albanese, Harry Kelly, Albert Kelly, Dick Hill, Richard Barnes, Dick Stark, Charles Philips, Larry Snyder, Byron Stone, and Betty Teeter.

In May of our Sophomore year we picked out our class rings which we planned to get in our Junior year.

In our Junior year Mrs. Alexander was our advisor and we elected these officers: President, Bruce Croft; Vice President, Richard McMillin; Secretary, Carol Stockton; Treasurer, Jean Malley.

The big events in our Junior year were the Annual and the Junior Prom. We made most of our money that year on the Annual. During the year we put on a supper, a few vic dances and we sold stationery. When sports began we sold pop and hot dogs at the games. This proved to be quite successful.

In November we received our class rings. That year Dolores Eastman, Betty Oplinger, Henrietta Bachelor, Carol Stockton, Fred

Swartwood and Richard McMillin left our class.

At the beginning of our Senior year we elected these officers: President, Albert Moore; Vice President, Patty Uher; Secretary, Dolores Zifchock; Treasurer, Jean Malley. Mr. and Mrs. Alexander were our chaperones on the trip to New York. Arrangements were made for the trip to New York by Van Zile tours at the beginning of the year and we made reservations to stay at the Hotel Chesterfield in New York.

On April 11th we started from Syracuse on the special train for New York. On the way down we met students from other schools and we enjoyed the trip very much. While we were in New York we saw all of the customary sights of the city. When we had free time, shopping, movies, stage shows and students from other schools occupied our time.

We all would have liked it if our stay in New York could have been extended but we were all happy to get home again.

Class Prophecy

In my crystal ball at midnight on April 10, the eve of our departure for New York, I saw the strangest jumble of figures that ever appeared there. After my eyes grew accustomed to the brilliant light and colors, faces and figures that I knew began to emerge. There on the deck of a great ship stood a beautiful blonde lady wearing a mink coat and orchids. Beside her was a portly gentleman dressed in well cut English Tweeds and sporting a snappy moustache and eye-glasses. Quite suddenly I recognized them, Patricia Uher of television fame and her manager, B. Norman Croft, who after extensive engineering training and many adventures in South America, had returned to do a television show and had renewed his devotion to the Queen of the Video world.

As they faded from view, I recognized two young women in the smartest of French uniforms, Jenny Myskow and Louise Sobol, holding the leashes of beautifully matched pair of toy poodles. Well, naturally, they were always on those television shows. As I watched they turned and seemed to be searching for someone. Suddenly, Louise smiled and pointed to a handsome man in uniform, standing on the Captain's bridge. Well, of all things, Ken Teeter and looking every inch a commander of the situation. He gave them a quick salute and pointed toward the officer on the deck who was shaking hands with two men just coming on board each carrying a brief-case with large white letters V. M.. Why, that's Al Moore and Richard Rounds on their way to a world convention of veterinarians in Oslo. I can almost hear their voices as they shout, "Hi, Avery. How's everything? Where's Carolyn?"

Suddenly the brilliant light fades out and then glows, flickers and steadies to show the office of the new school which will be opened in 1965. No, it isn't! It can't be! It is! Dr. Augustus C. Wolfe sitting at the superintendent's desk, in deep conference with a tall man dressed in overalls. Dashing as ever, but still unmarried, he is talking about his young nephew who seems to be having difficulty with the second grade teacher, Miss Malley. Dr. Wolfe pushes a button, the door opens and in steps a very efficient secretary, Dolores Zifchock, wearing horn-rimmed spectacles. She smiles pleasantly and leaves to call Miss Malley. As Jean comes in, she speaks at once for she seems to know exactly why she has been called. "He's exactly like you Ed—that is his whole difficulty." Then all four burst into smiles and Ed said, "I just wanted to visit a little while." Guess I'll go down to the cafeteria and see if there's anything to eat.

My, what a spotless kitchen! And who is that in charge, Blanche Mix? The food should be good and Rose Slovik in charge of the dining room. The outer door opens and School Nurse Carol Keim comes in from making her rounds to check suspicious absences. All four sit at the kitchen table for a good cup of hot coffee. I am about to join them when—Brr! ring! ring! clatter! My goodness! six o'clock. Just thirty minutes to get to the bus and the Senior Trip.

Such a restful night!

In the Fall of '49 we found ourselves in Room 21 with Mr. Macdonald as our teacher, and Mrs. Marshall as our class advisor. Officers were elected as follows:

President—John Marchell

Secretary—Leora Swayze

Vice-President—Roger Hagin

Treasurer—Luella McCarty

Our money making prospects for the year consisted of two bake sales and two vic dances.

Our Sophomore year brought us more activities than we had seen in our Freshman year. Our money making projects consisted of a bake sale, a white elephant sale, five dances including a big Christmas dance, "Christmas Caper", and selling name pins we made in the shop. Officers were elected as follows:

President—John Marchell

Secretary—Laura Malley

Vice-President—Joe Trinkl

Treasurer—Fannie McFeaters

Our class advisor was Mr. Robert Macdonald.

At the beginning of our Junior year we were all pleased to receive our class rings. So far this year we have had 3 dances. The Junior Prom is to be our big dance and will take place on May 17 with music furnished by Eddie Moore's Orchestra.

Our big money making project for the year has been selling magazines. We set our goal at \$600 but we went way over that with a total of \$762.50. We had a contest between the boys and girls to see who could sell the most. The girls won, selling a total of \$582.25 while the boys sold \$180.25. Everyone did his best and we were all pleased with the results. Mary LaLonde won first prize for selling the most subscriptions, \$115.25, Barbara Davis was second, Leora Swayze third, and Margie Nedrow fourth.

Many problems confronted the Cayugan Staff at the beginning of the year. Because the school day had been shortened to six periods all the work had to be done evenings and on Saturdays. Thursday night was "Cayugan night" and station wagon trips often extended from Lansingville to North Lansing. Without the help of Dolores Zifchock driving Mr. Macdonald's car in one direction with the school bus making an evening run in another, meetings would have been impossible.

In spite of the handicaps the staff has enjoyed its work and while we eagerly await the arrival of the first copies from the printer we can truthfully say—"It was work, but it was FUN!"

Junior Prom – 1952

Living up to our reputation of "doing things differently" the class of '53 voted to select five Junior Prom Queen candidates and let everyone who attends the dance have a part in making the final choice. The five candidates chosen by the class were: Barbara Davis, Mary LaLonde, Fannie McFeaters, Carolyn Nadalin, and Leora Swayze. The date set for the dance is May 17th but at the time this is being written we don't know if the dance will be in the old gymnasium or the new cafeteria.

Our theme song is "Deep Purple" and our class flower, the lilac. We plan to decorate with purple and white and dance to the music of Eddie Moore's orchestra.

Two of the candidates, Mary LaLonde and Leora Swayze, have been with the class since kindergarten, and two others, Fannie McFeaters and Carolyn Nadalin, came from South Lansing to join the class in the fall of 1948. Barbara Davis, came back to us in 1950 after attending King Ferry Central for three years.

In order that the queen may be chosen, the class decided that those attending the dance should vote on the candidates already chosen. A couple's ticket will be worth two votes and a single's ticket worth one vote. The candidates have pictures, especially taken for the occasion, which will be on display at the door so that the voters can choose from the contestants more easily.

Our class organized in September for the second year. We elected class officers as follows:

President—Carl Burke
 Vice-President—Frank Szalaiy
 Secretary—Marian Zifchock
 Treasurer—Frances Uher
 Miss Regan is our class advisor.

After a few months elapsed we found it necessary to elect a new president because the former left school. At the following meeting we elected Christine Keim.

We planned several class activities but most of them were never carried through because of one thing or another. We planned a dance with

an outside band but had to eliminate it because of difference in available dates between the band and us, therefore, we had to hold a vic dance or nothing at all. We chose the vic dance.

We then had a dance planned for April 25th with the dance band playing, but had to cancel that because of the storage of materials in the gymnasium.

Although we didn't sponsor much this year we took in a sufficient amount of dues to make up for it and expect to do better next year.

The Freshman Class was organized in September, 1951, and the following officers were elected:—

President—Gale Argetsinger

Vice-pres.—Edward Halliday

Secretary—Marsha Hunt

Treasurer—Geraldine Hoaglin

Student Council members are Jane Hranek and Harry Barron. Our class advisor is Mr. Parker.

We planned an orchestra dance with the Lansing Stardusters for January 25th which we called "Snowflake Shuffle". This dance was later cancelled because of the construction in the gymnasium. The class then planned the "Leap Year Frolic", our dance which was held on February 29th. This turned out to be a big success and gave us a good start towards earning money for our big Senior trip.

The following people were absent from school on the day that group pictures were taken.

We had a very good year losing only one game to Groton. They also lost one game to Candor which enabled us to be Co-Champions with Groton. This is the first championship ever won by Lansing in football.

We had 17 letter men on the squad and are losing only 3. They are: Avery Zimmerman, Albert Moore and Bruce Croft.

Our game with Candor was played in 3 inches of snow and water. Our only loss to Groton was lost in the last 25 seconds of the game.

Joe Trinkl was elected honorary captain for the season.
